FEEDING AMERICA

What makes us great for IBOs?

Great Market Opportunity

- Over 421.7M mobile devices in America
- 95% of American adults own a cellphone
- 89% of those surveyed cannot live without their smart phone
- Americans are projected to use five times more mobile data by 2022

IBOs Benefits and Bonuses

- Residual income for the life of the customer
- IBO Refer-a-Friend program

Customer Questionnaire

1. Who is your current cell phone service provider?
2. How much is your cell phone bill per month?
3. Do you owe any money on your devices? If so, how much?
4. How many lines do you have on your plan?
5. What kind of phone(s) do you have?
6. How much data do you use each month per line? (Be specific on the number)
