ORDER NOW

When signing up a new DISH customer, keep these simple tips in mind for the best possible order experience:

ORDER BY PHONE

- › Call the ACN Sales Center:
800-222-5368 (USA) or 866-974-0491 (Puerto Rico)
- › Choose your language, then choose Option 2 for all sales to receive ACN credit
- › Make sure the customer provides the IBO Business ID# during the order process
- › The call should be placed from the customer's phone, not the IBO's phone
- › If the call originates from a phone number attached to an existing DISH account (even on a 3-way call), it will bypass the ACN Sales Center and neither ACN nor the IBO will receive credit for the order. Please ensure your customer calls from a phone number not attached to an existing DISH account
- › If the agent is unaware of ACN or the term IBO Business ID#, your customer was likely redirected to an agent outside of the ACN sales center. In this case, they will need to call the dedicated ACN phone number

ORDER ONLINE

- › Your customers can take advantage of the new, user-friendly DISH Online Shopping Cart:
<https://www.dish.com/redirects/partners/acn/>
- › Direct your customers to your IBO Storefront. In your Storefront, they need to select Television, and then click Shop Now
- › Your ACN Business ID# is automatically carried over to the online order
- › Customers can browse packages, equipment upgrades, monthly add-ons and more
- › Once they have selected their desired options, they may proceed with secure online checkout
- › During the checkout process, make sure they do not navigate away from the shopping cart to other DISH websites
- › If additional verification is required during the ordering process, they should ONLY call the ACN DISH sales line at: 800-222-5368 (USA) or 866-974-0491 (Puerto Rico)
