

LIST OF SUPPORTED DEVICES FOR FLASH YELLOW

DEVICE GUIDE

The [Device Compatibility Checker](#) should always be utilized as your primary resource to determine whether or not a device will function on Flash Wireless. This PDF should be used as a supplementary guideline of devices that will maximize the experience on the Flash Yellow network.

We have grouped these phones into categories of Good, Better, and Best.

Good: These devices work well on the Flash Yellow network and represent the majority of Flash supported devices.

Better: These devices take advantage of most of Flash Yellow's latest capabilities and will help obtain great speeds from the Flash Yellow network.

Best: These devices take advantage of the latest capabilities of the Flash Yellow network, and will get the maximum speed available from the Yellow network.

BEST
