Identity Theft Protection
Why sell to just one customer when you can sell to an entire business?

- **IDSeal Business Direct** is available to companies with 10 or more employees, to purchase as a benefit for their employees.

- Includes the **same plans and levels of protection** that are currently available to individual customers.

- Employees can feel confident that their identity theft protection is **backed by a team of experts and supported 24/7/365** by U.S. based identity care specialists.
• **Same Reliable Service:** No change in the delivery or maintenance of natural gas or electricity service – this continues to be provided by the local utility.

• **More Options:** Variety of plans and pricing options not available through existing utility with contract lengths to meet your needs.

• XOOM Energy offers environmentally friendly green products (*in select markets*).

• **Customized Pricing Proposal for Big Business:** Best available price from XOOM Energy based on usage, plan and length of contract.
• Simple and streamlined payment acceptance so businesses can welcome all major payment types, including credit, debit, gift, electronic check and e-commerce payments

• Operate in any point-of-sale environment, including storefront, online or mobile

• Competitive rates, without hidden fees or confusing terms

• Secure, reliable technology platform

• Responsive service, knowledgeable support and personalized attention from a single point of contact

The Sphere Meet or Beat Opportunity

If Sphere cannot meet or beat your customer’s current processing rate, the customer will receive a $250 Visa Reward card, and IBOs will also receive a $250 Visa Reward card!
