

You Love Us, but do you **Like** us?

ACN's social media sites are designed to **connect with you!**

We want you to be in the know on everything ACN and **share what you think!**

These sites are a great way for you to **connect with your downline and prospects!**

Did you know that your involvement on our social media sites **helps our online reputation?**

Company social media sites have never been more important in ranking in searches online.
The better our social media sites perform, the better our search results will be!

Need to Create a Social Media Account **OR** Already Have Social Media Accounts?

Create your own accounts –
here are quick tutorials to get you started.

Here is what you need to do!

- 1 Sign up for Social Media sites
- 2 Follow ACN sites
- 3 Like/Share/Comment

Take a few minutes to complete these actions below. Here are some easy ways to help ACN (and your business):

TWITTER:

1. Make sure you are following ACN's account at **www.twitter.com/acnnews**.
2. Simply hit "Retweet" on ACN's company tweets. This will build relevance of our tweets when you share with your own followers.
3. Use the "Favorite" button on many of our tweets.
4. When you Tweet include #ACN.

FACEBOOK:

1. Like ACN's page: **www.facebook.com/acninc**.
2. Like all of our posts!
3. Comment on some of our posts.
4. Share our posts to your own Facebook wall. Sharing Facebook posts is the best way to grow the reach of a post! The more shares, the better!
5. Make sure you have marked ACN's page as "favorite." That way we will always show up on your Newsfeed.

Instagram:

Follow ACN on Instagram: **<https://www.instagram.com/acninc/>**

1. Hit the "Follow" button
2. Double-tap or hit the "heart" button to like posts
3. Comment on our posts and tag your followers
4. Share our posts on your story.
