ACN Independent Business Owners (IBOs) can earn money in four ways:

1. Residual commissions paid monthly based on their personal customers' usage of ACN's services.
2. Residual commissions paid monthly based on their downline's customers' usage of ACN's services.
3. Bonuses paid weekly based on their personal customer acquisition.
4. Bonuses paid weekly based on their downline's personal customer acquisition.

Compensation is earned only when customers are acquired.

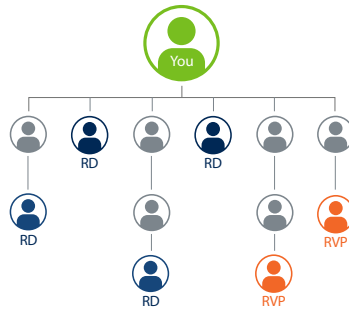

Refer to the ACN Compensation Plan for complete details. Earnings as an ACN IBO are based solely upon the successful sale of products to customers and their usage of those products. Individuals will incur expenses in operating their ACN business, such as the sign-up fee and renewal fee, as well as other possible operating expenses. As with any business, earnings and success at ACN are not guaranteed but depend primarily on the individual's persistence, effort, and results of acquiring customers personally and/or through their team. Individuals will not earn income and will lose money as an IBO if customers are not acquired.

Earnings as an ACN IBO are based solely upon the successful sale of products to customers and their usage of those products. MONTHLY RESIDUAL COMMISSIONS

Over time, the majority of your compensation will come from the residual income that is generated from your customers' monthly billings. Customer acquisition is the fuel for your business, creating long-term income and by teaching other people how to do the same thing, you will build residual income for yourself.

PERSONAL COMMISSIONS

As you acquire your own, personal customers, you qualify to earn residual commission between 3% and 20% of their monthly commissionable revenue generated. This percentage is based on your total number of Personal Customer Points:

1-39 Personal Customer Points = 3%
40-59 Personal Customer Points = 5%
60-99 Personal Customer Points = 10%
100 - 149 Personal Customer Points = 14%
150-199 Personal Customer Points = 17%
200+ Personal Customer Points = 20%

The commission structure outlined above is effective with the June 2022 Commission Payout. Customers must be counting toward qualifications by the first Friday of the month in order for the points to be used toward commission qualifications for that month. Refer to the Order Entry Timelines document available on ACNCompass.com for more details. Commissions are released on the first business day following the third Friday of each month. Commissions are paid the third month after the close of the month the customer is billed. Commissions on large commercial accounts and customers acquired by Affinity programs (such as not-for-profit organizations) may be paid according to a custom commission schedule that will be determined at the time the program/contract is completed.

PERSONAL MONTHLY CUSTOMER BONUSES

WEEKLY OVERRIDING CUSTOMER ACQUISITION BONUSES (CABs)

Overriding Customer Acquisition Bonuses (CABs) are paid when an IBO within your organization sponsors a new IBO that becomes Customer Qualified within 30 days of their start date. In order to count for qualifications, all new customers must show a “complete” status on the IBO’s Personal Customer List. A customer will show a “complete” status when all the necessary information has been received and processed by ACN.

GRACE PERIODS FOR EARNED POSITIONS - NORTH AMERICA

EFFECTIVE JANUARY 6, 2020

A grace period is the amount of time an RD or above has to regain qualifications in the event they drop below the qualification minimums of their earned position. In the event qualifications are not met prior to the end of the grace period, the IBO's position and compensation will be adjusted based on their true position.

- **RD: Must maintain position with 580 to 599 (max 200 points per leg) Total Customer Points.**

If the Total Customer Points drop below 580 points, RDs will have a grace period of 15 days. After the grace period expires, the IBO will need to have 600 points (max 200 points per leg) to re-qualify as a RD.

- **RVP: Grace Period of 2 months**

A grace period of 2 months is provided for those RVPs that have maintained the position for the previous 3 months. To maintain their positions, RVPs must have 3,000 Total Customer Points in their team.

- **SVP: Grace Period of RD and RVP legs**

An additional grace period of 2 months is provided for those SVPs that have maintained the position for the previous 3 months.

There is no grace period for RVP Gold and Platinum status.
