ACN INDEPENDENT BUSINESS OWNERS (IBOS) CAN EARN MONEY IN FOUR WAYS:

1. Residual commissions paid monthly based on their personal customers usage of ACN's services.
2. Residual commissions paid monthly based on their downline's customers usage of ACN's services.
3. Bonuses paid weekly based on their personal customer acquisition.
4. Bonuses paid weekly based on their downline's personal customer acquisition.

Compensation is earned only when customers are acquired.

Refer to the ACN Compensation Plan for complete details. Earnings as an ACN IBO are based solely upon the successful sale of products to customers and their usage of those products. Individuals will incur expenses in operating their ACN business, such as the sign-up fee and renewal fee, as well as other possible operating expenses. As with any business, earnings and success at ACN are not guaranteed but depend primarily on the individual's persistence, effort, and results of acquiring customers personally and/or through their team. Individuals will not earn income and will lose money as an IBO if customers are not acquired.

POSITIONS & QUALIFICATIONS

IBO Everyone starts ACN as an Independent Business Owner

Your goal should be to work your way through the earned positions detailed below. The positions you achieve are based on the total number of customers acquired between you and your team.

Team Coordinator legs (Latin America and Asia only) count toward RD legs for qualification. Refer to the ACN Compensation Plan and monthly promotional bonuses for complete details. Earnings as an ACN IBO are based solely upon the successful sale of products to customers and their usage of those products. Individuals will incur expenses in operating their ACN business, such as the sign-up fee and renewal fee, as well as other possible operating expenses. As with any business, earnings and success at ACN are not guaranteed but depend primarily on the individual's persistence, effort, and results of acquiring customers personally and/or through their team. Individuals will not earn income and will lose money as an IBO if customers are not acquired.

MONTHLY RESIDUAL COMMISSIONS

Over time, the majority of your compensation will come from the residual income that is generated from your customers' monthly billings. Customer acquisition is the fuel for your business, creating long-term income and by teaching other people how to do the same thing, you will build residual income for yourself.

PERSONAL COMMISSIONS

As you acquire your own, personal customers, you qualify to earn residual commission between 3% and 20% of their monthly commissionable revenue generated. This percentage is based on your total number of Personal Customer Points:

1-39 Personal Customer Points = 3%
40-59 Personal Customer Points = 5%
60-99 Personal Customer Points = 10%
100 - 149 Personal Customer Points = 14%
150-199 Personal Customer Points = 17%
200+ Personal Customer Points = 20%

The commission structure outlined above is effective with the April 2023 Commission Payout. Customers must be counting toward qualifications by the first Friday of the month in order for the points to be used toward commission qualifications for that month. Refer to the Order Entry Timelines document available on ACNCompass.com for more details. Commissions are released on the first business day following the third Friday of each month. Commissions are paid the third month after the close of the month the customer is billed. Commissions on large commercial accounts and customers acquired by Affinity programs (such as not-for-profit organizations) may be paid according to a custom commission schedule that will be determined at the time the program/contract is completed.

PERSONAL MONTHLY CUSTOMER BONUSES

You can earn Customer Bonuses each month when you personally acquire customers. New IBOs can earn these bonuses based on the number of customer points and services they acquire in their first 30 days. Existing IBOs (those that are more than 30 days past their start date) can earn these bonuses based on the number of customer points and services they acquire in a calendar month.*

XOOM Multilocation enrollments and Impact Health Sharing group enrollments do not count toward this bonus program.

A customer will show a “complete” status when all the necessary information has been received and processed by ACN.

EFFECTIVE JANUARY 6, 2020

- **RVP: Grace Period of 2 months**

A grace period of 2 months is provided for those RVPs that have maintained the position for the previous 3 months. To maintain their positions, RVPs must have 3,000 Total Customer Points in their team.
